COMPANY OVERVIEW

HZ's core competency is strategic construction project management and the applications and removal of Specialty Coatings, along with Sandblasting. HZ has also developed a numerous amount of teaming relationships with other contractors of various scopes of work such as: HVAC, IT Computer Services and Facilities Management, Underground Utilities, Plumbing, Electric, Fencing, Concrete, Civil, Landscaping, Roofing, and also Janitorial services. Our current geographical target is focused, BUT NOT LIMMITED to projects in the Southeastern Region (Florida). HZ is an experienced provider of construction services for Federal, State, & Local governments as well as commercial customers.

MAJOR ACCOMPLISHMENTS

- **DESIGN BUILD Project: NAVY RADAR System**
- **IDIQ for \$4.5 Million: Awarded \$252+ Contracted and completed**
- **Additional Asphalt Repairs, NAS KEY WEST, FL for \$257.9K**

HZ Construction is an accomplished constructor of over 30 public schools, which includes 4 High Schools. HZ has the capability to provide large, medium, or small HVAC packages after accomplishing such at Orlando International Airport. HZ was the senior construction manager of the world-renowned Kia Center and under HZ's scope set a national record for participation of minority & women owned businesses.

CORE COMPETENCIES
